ABOUT the Santa Barbara Trust for Historic Preservation (SBTHP) – The Santa Barbara Trust for Historic Preservation (SBTHP) works to *protect, preserve, restore, reconstruct, and interpret historic sites in Santa Barbara County*. Founded in 1963 by Dr. Pearl Chase and other concerned community leaders, SBTHP operates El Presidio de Santa Bárbara State Historic Park—Santa Barbara’s 18th century birthplace—under a unique agreement with California State Parks and recently purchased the neighboring building that housed Jimmy’s Oriental Gardens, providing an opportunity to interpret the history of Santa Barbara’s Asian American community in the Presidio Neighborhood. SBTHP owns and operates Casa de la Guerra, the 1820s home of Presidio Comandante José de la Guerra and his family—the restored home is now a museum featuring original furnishings and rotating exhibits. Recently, SBTHP signed an agreement with State Parks to manage and develop the Santa Inés Mission Mills, located near the town of Solvang, as a future California State Park. With the help of continuing education programs and exhibits, SBTHP strives to encourage community involvement and foster an appreciation for Santa Barbara County’s distinct history.
