

2024

ANNUAL REPORT

A Word From SBTHP

Dear SBTHP Members,

Thank you for joining us at SBTHP's events and programs again this year. We have a lot to celebrate from 2024, including the completion of the Year of the Dragon Mural by D.J. Javier on the side of Jimmy's Oriental Gardens and the opening of the *Manongs on the Central Coast* exhibit at Casa de la Guerra. We continue to host and grow your favorite cultural programs and festivals, and to serve Santa Barbara County's youth with educational programs that explore the diverse experiences that help build our community.

In this report we share the accomplishments of the past year, including restoration work on the historic resources under our care, and the many opportunities we shared for gathering and celebrating community. We also present our audited financials for fiscal year 2023-2024 and our donor registry.

We look forward to seeing you all in 2025!

Preservation

We continue to prioritize care and maintenance of the historical resources under our stewardship. In 2024, we revitalized the Presidio Archaeology Lab at 916 Santa Barbara Street. This wood-frame and wood-sided structure was built as a residence in 1888. In the 1920s it was used by the Santa Barbara School of the Arts, and is now home to the park's archaeology collections. The Lab is looking much smarter with a new roof, two new porches, and a fresh coat of paint.

Visitor Experience

We opened *Manongs on the Central Coast: Forming Communities Across Generations*, an exhibit that explores the rich history and lived experiences of our local Filipino American community; as told through multigenerational family stories, photographs, oral histories and documents. In February, visitors experienced *THE DRAGON*, a pop-up art exhibition inside the Presidio Chapel celebrating the diverse cultures and resilience of Santa Barbara's Asian American and Pacific Islander communities, featuring works from sixteen local artists. We also revamped our gift shops and began carrying more products sourced from local artists and small businesses.

Presidio Research Center

In 2024 the Presidio Research Center partnered with the Santa Barbara Public Library to create Wikipedia edit-a-thon workshops to explore local history and contribute to Wikipedia. The Research Center also hosted five undergraduate interns who processed oral history and archival collections and researched racially-restrictive covenants on deeds in Santa Barbara County. Research Center collections were a key component in the creation of the *Manongs on the Central Coast* exhibit, highlighting donated materials and oral histories from over a dozen local Filipino community members.

Programs

In 2024 SBTHP welcomed an astonishing 5,000 people to our Year of the Dragon Festival in early February, where we unveiled the Year of the Dragon Mural by D.J. Javier to the public. We welcomed thousands of students to the Presidio and Casa de la Guerra, including 705 elementary students who attended SBTHP's Our Communities, Our Stories field trip program in the spring. We celebrated 15 years of the Asian American Film Series and Neighborhood Festival programs, as well as the fourth year of partnership with the Mujeres Makers Market on Día de los Muertos. We signed a license agreement with nonprofit partner Su'nan Protection: The SPACE to conduct Chumash cultural education work from a room inside Casa de la Guerra.

Donor & Membership Events

2024 began with the premier of our Historic Wedding Experience, where members enjoyed a lovely brunch and a presentation from those who created this unique experience. We held another successful Golf Tournament in April, raising \$10,000 more than the previous year. Our POP! fundraising event returned for a third year, bringing together Advocates, Presidio Neighborhood friends, local businesses, and other community members to support our mission. Locals and visitors alike enjoyed the live entertainment and festivities at Casa Cantina. We hosted our second annual Una Noche de Las Posadas member reception, with live music by SBTHP resident musician, Adam Phillips. We hope you will join us for new fundraising, member, and community events in 2025!
